PROCESS GUIDE

Motor Vehicle Aggregator & Delivery Service Provider Scheme

License application workflow with portal screenshots

Uttar Pradesh Transport Department

Portal access ⟶ application details ⟶ documents ⟶ payment ⟶ verification

Application Workflow

1 Open Portal — 2 Login — 3 Organization — 4 Compliance Officer

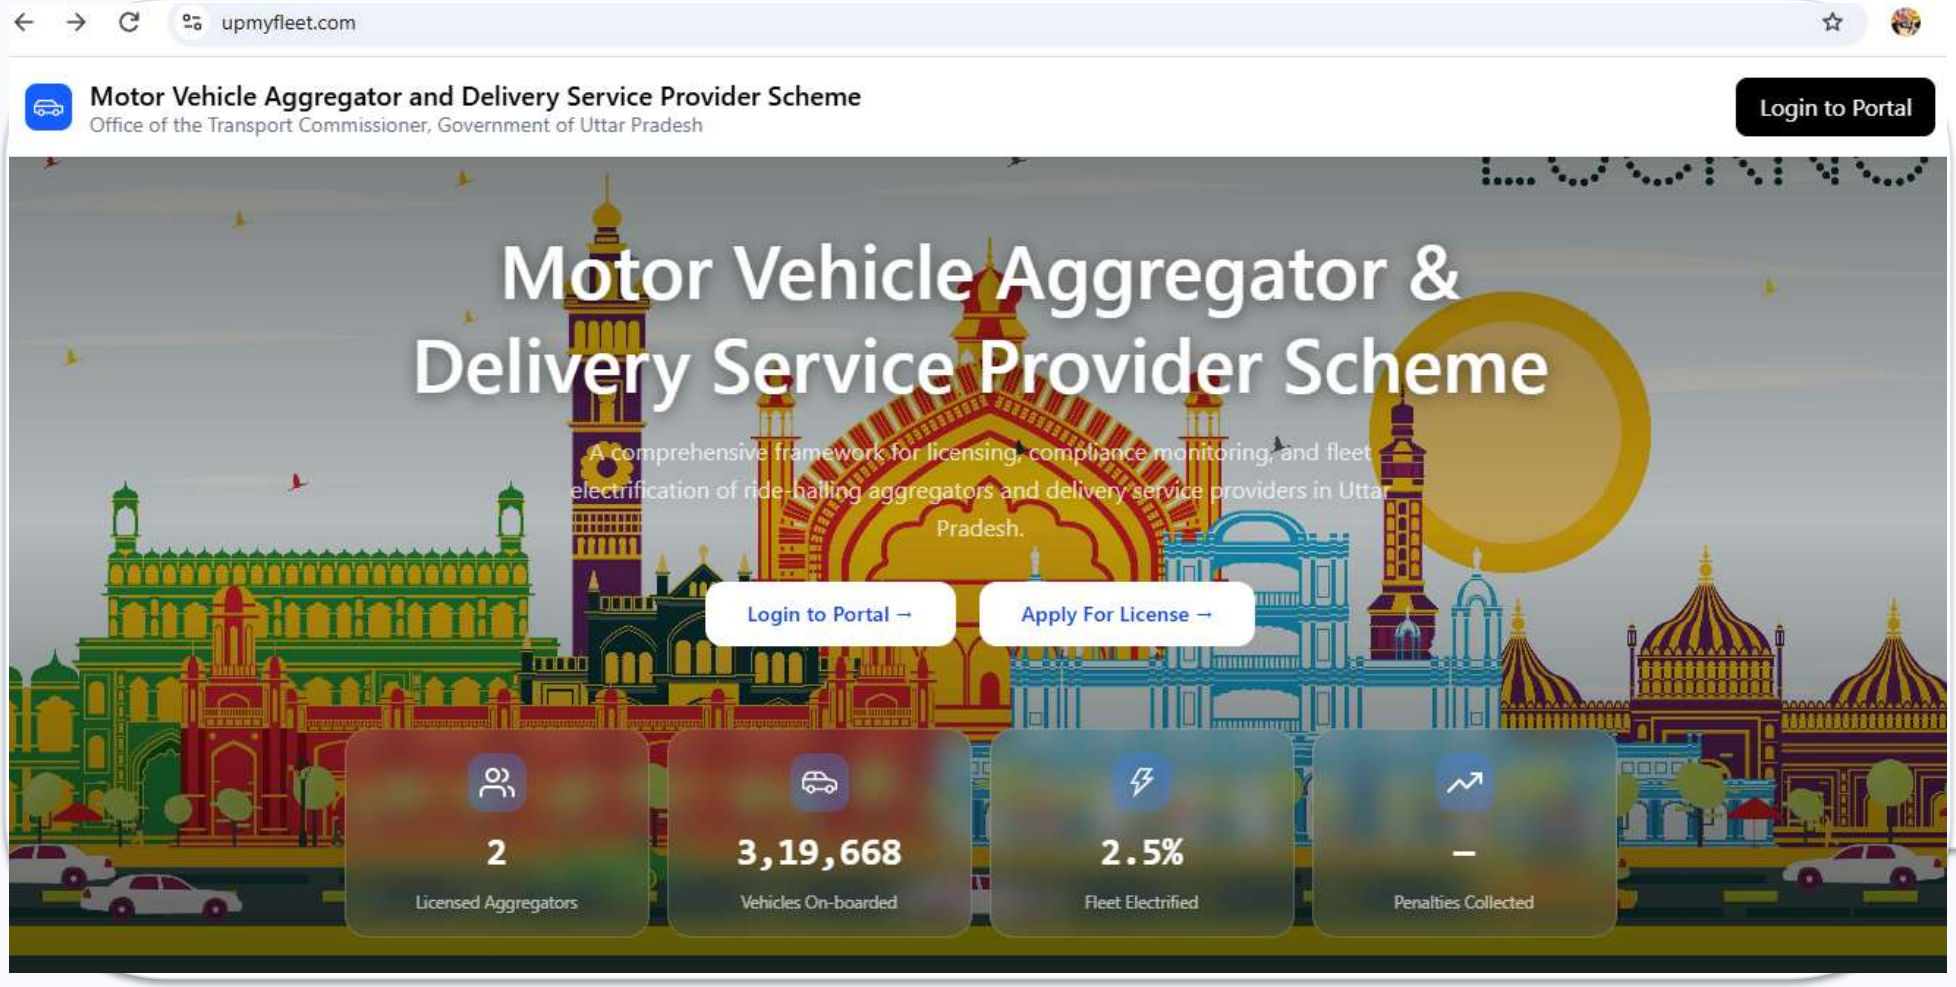

5 Fleet Declaration — 6 Documents — 7 Payment — 8 Submit / Status

Each stage is completed in sequence. The portal unlocks the next stage after the current section is completed.

STEP 01

Portal Landing Page

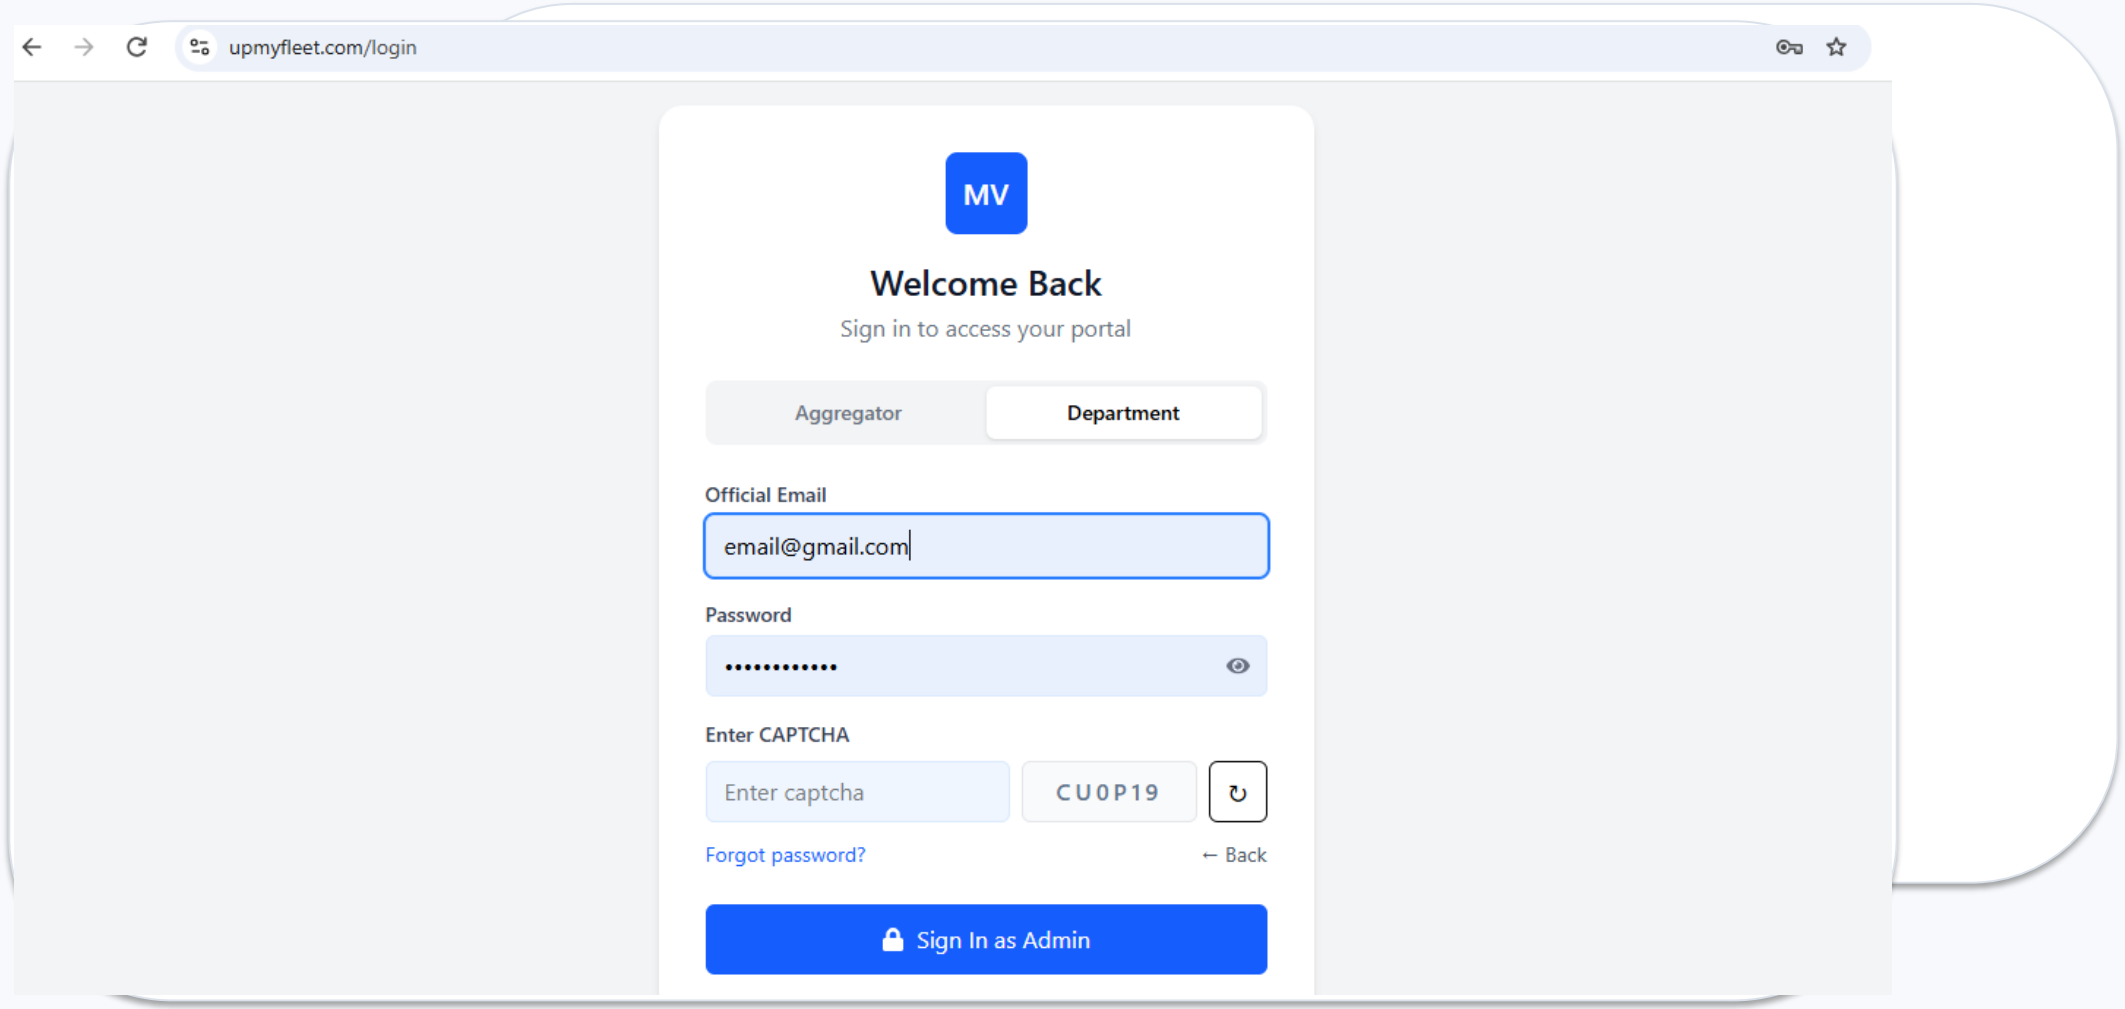

Open the Motor Vehicle Aggregator & Delivery Service Provider Scheme portal.

STEP 02

Login to Portal

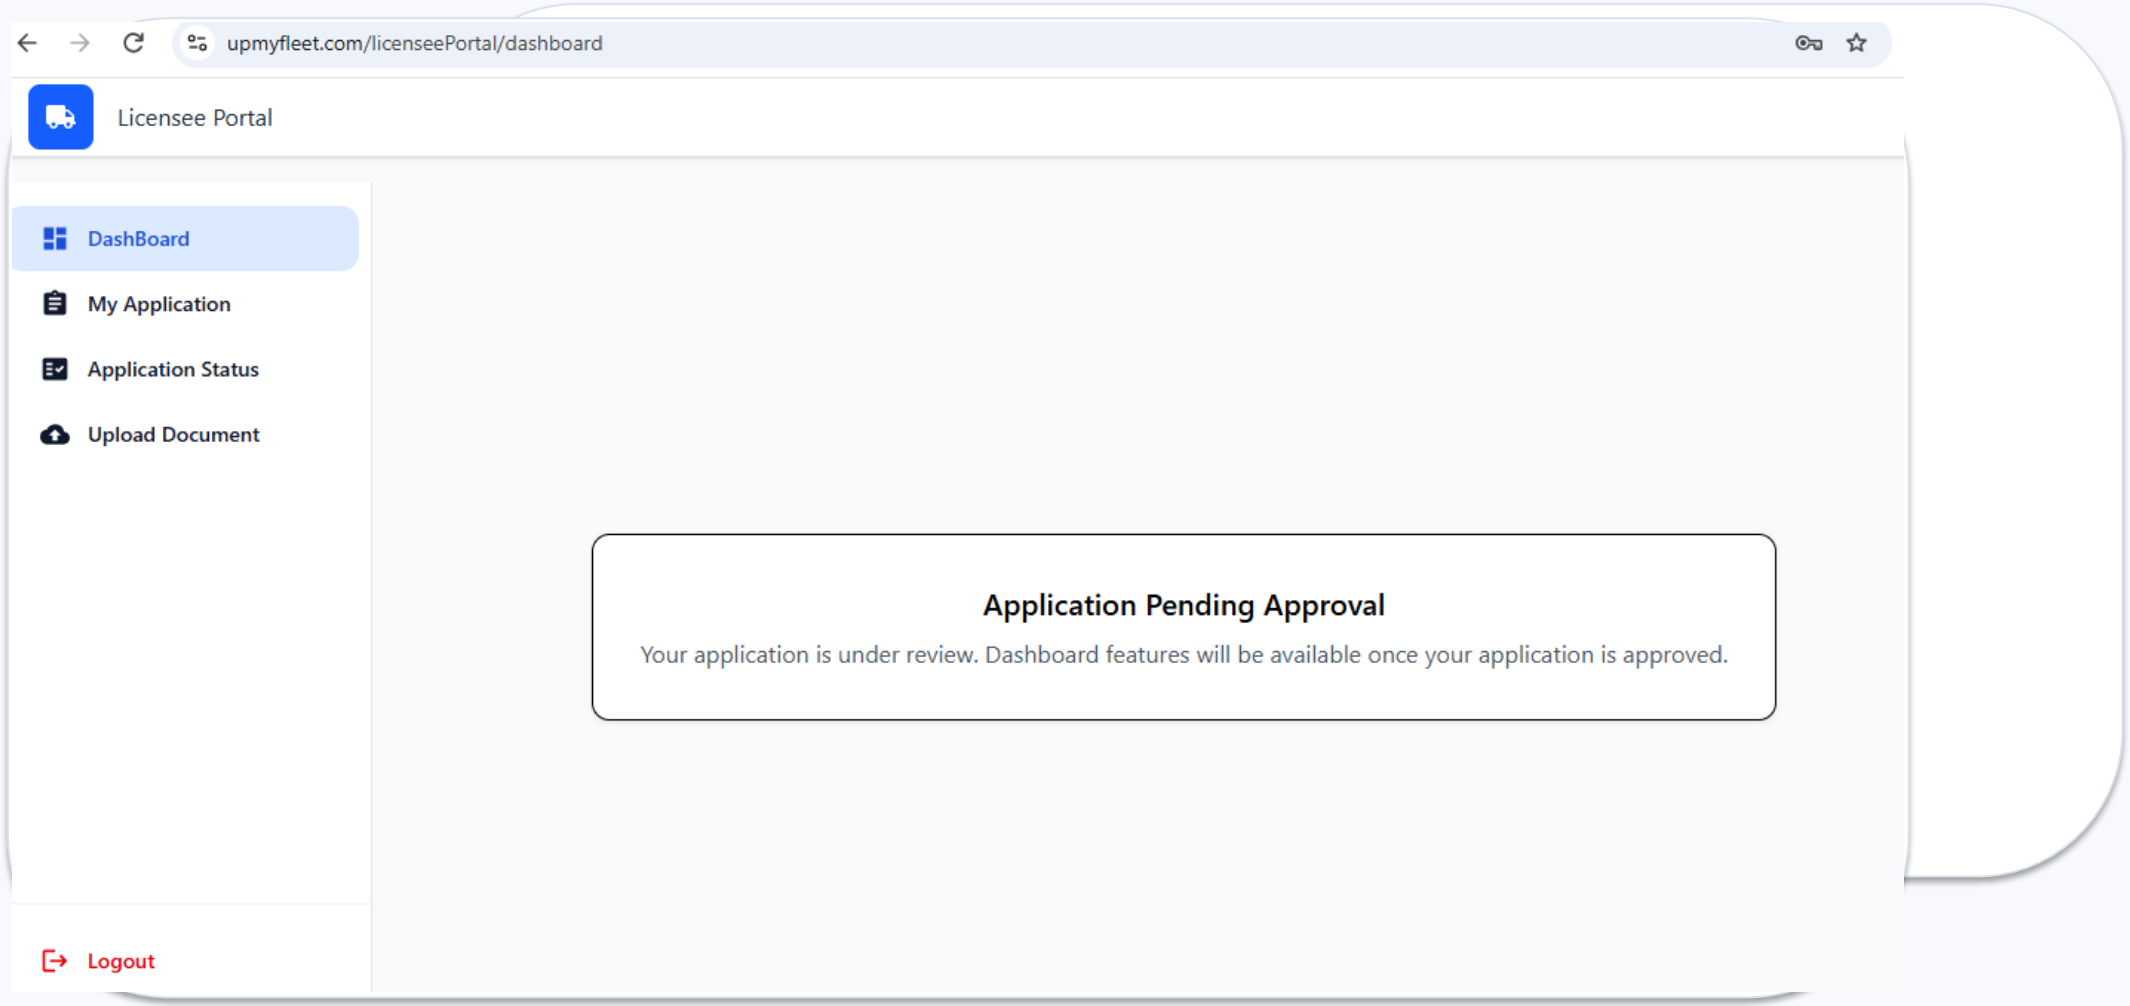

Select the user type, enter official email and password, complete CAPTCHA, and sign in.

STEP 03

Licensee Dashboard

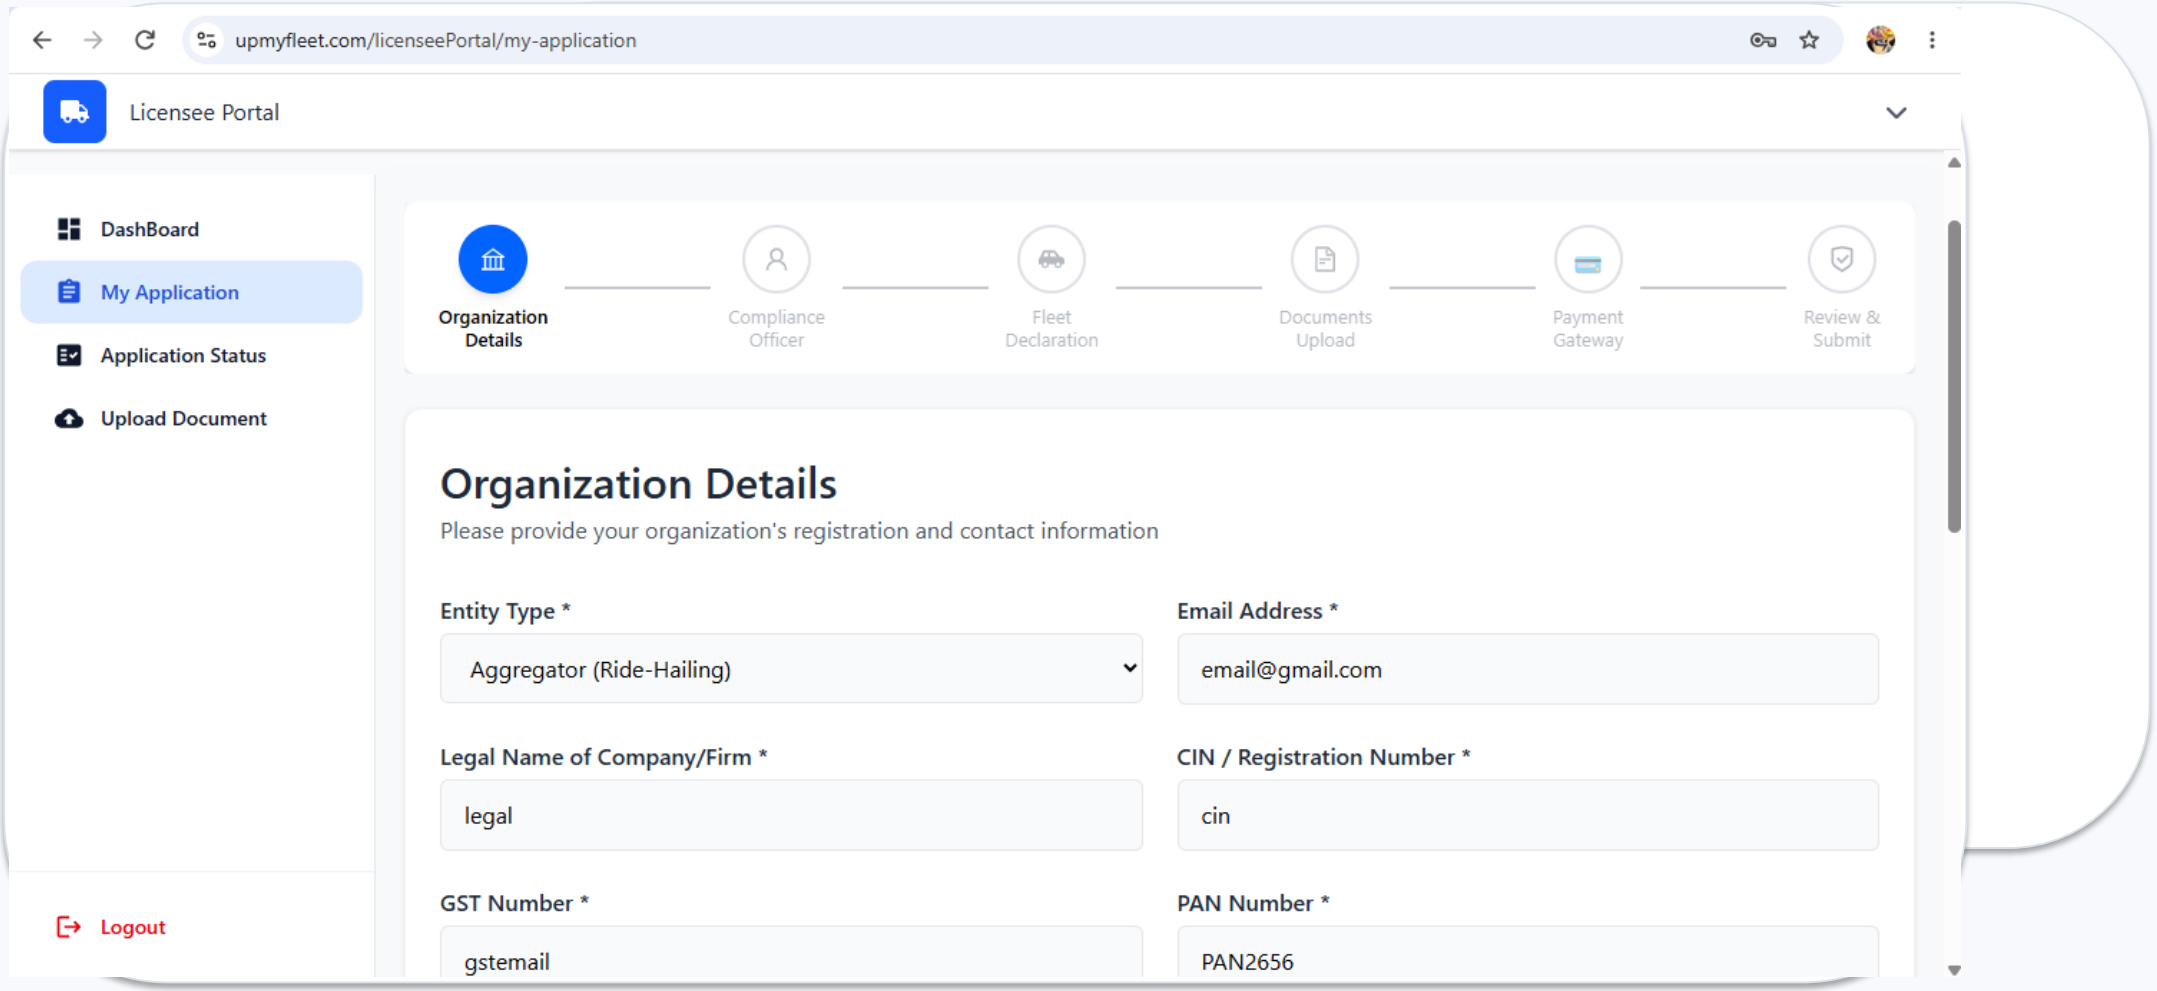

After login, the dashboard shows the application status and available portal modules.

STEP 04

Organization Details

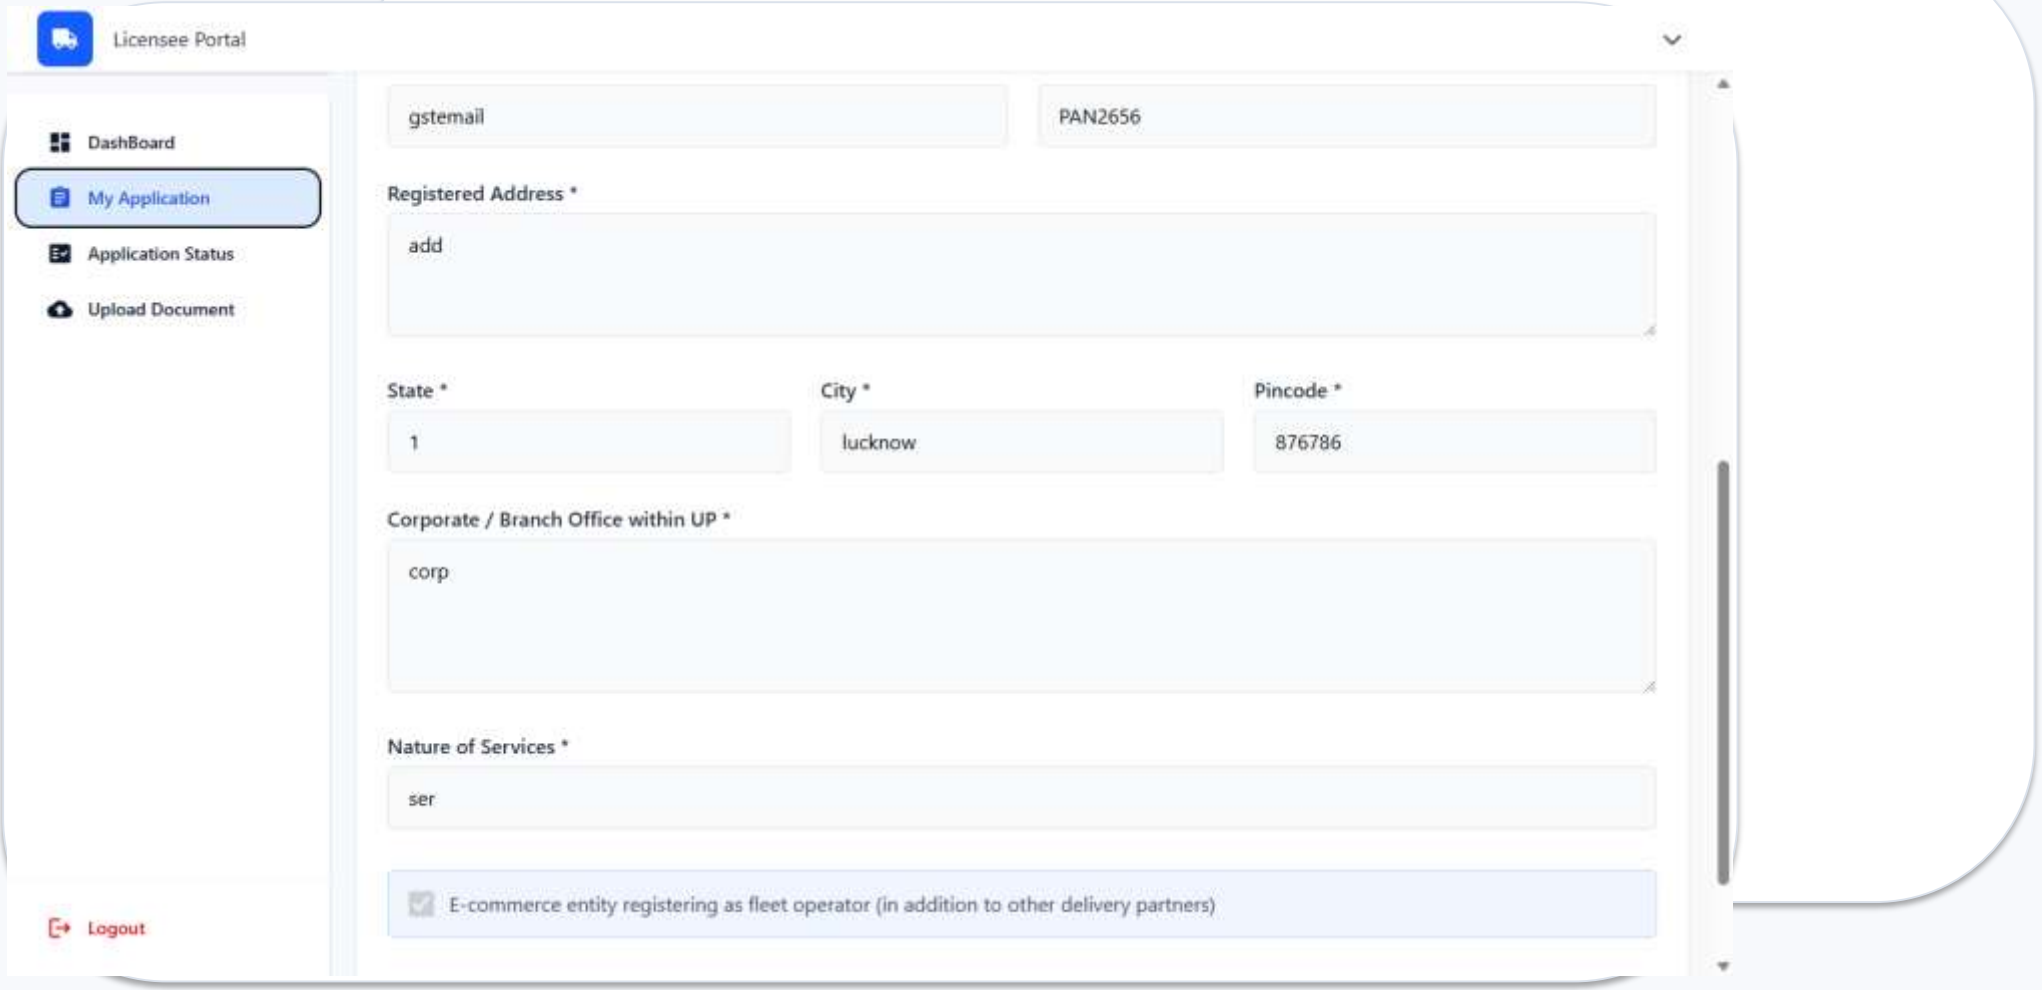

Enter entity, company registration, GST/PAN, address, office and service information.

STEP 05

Organization Details – Continued

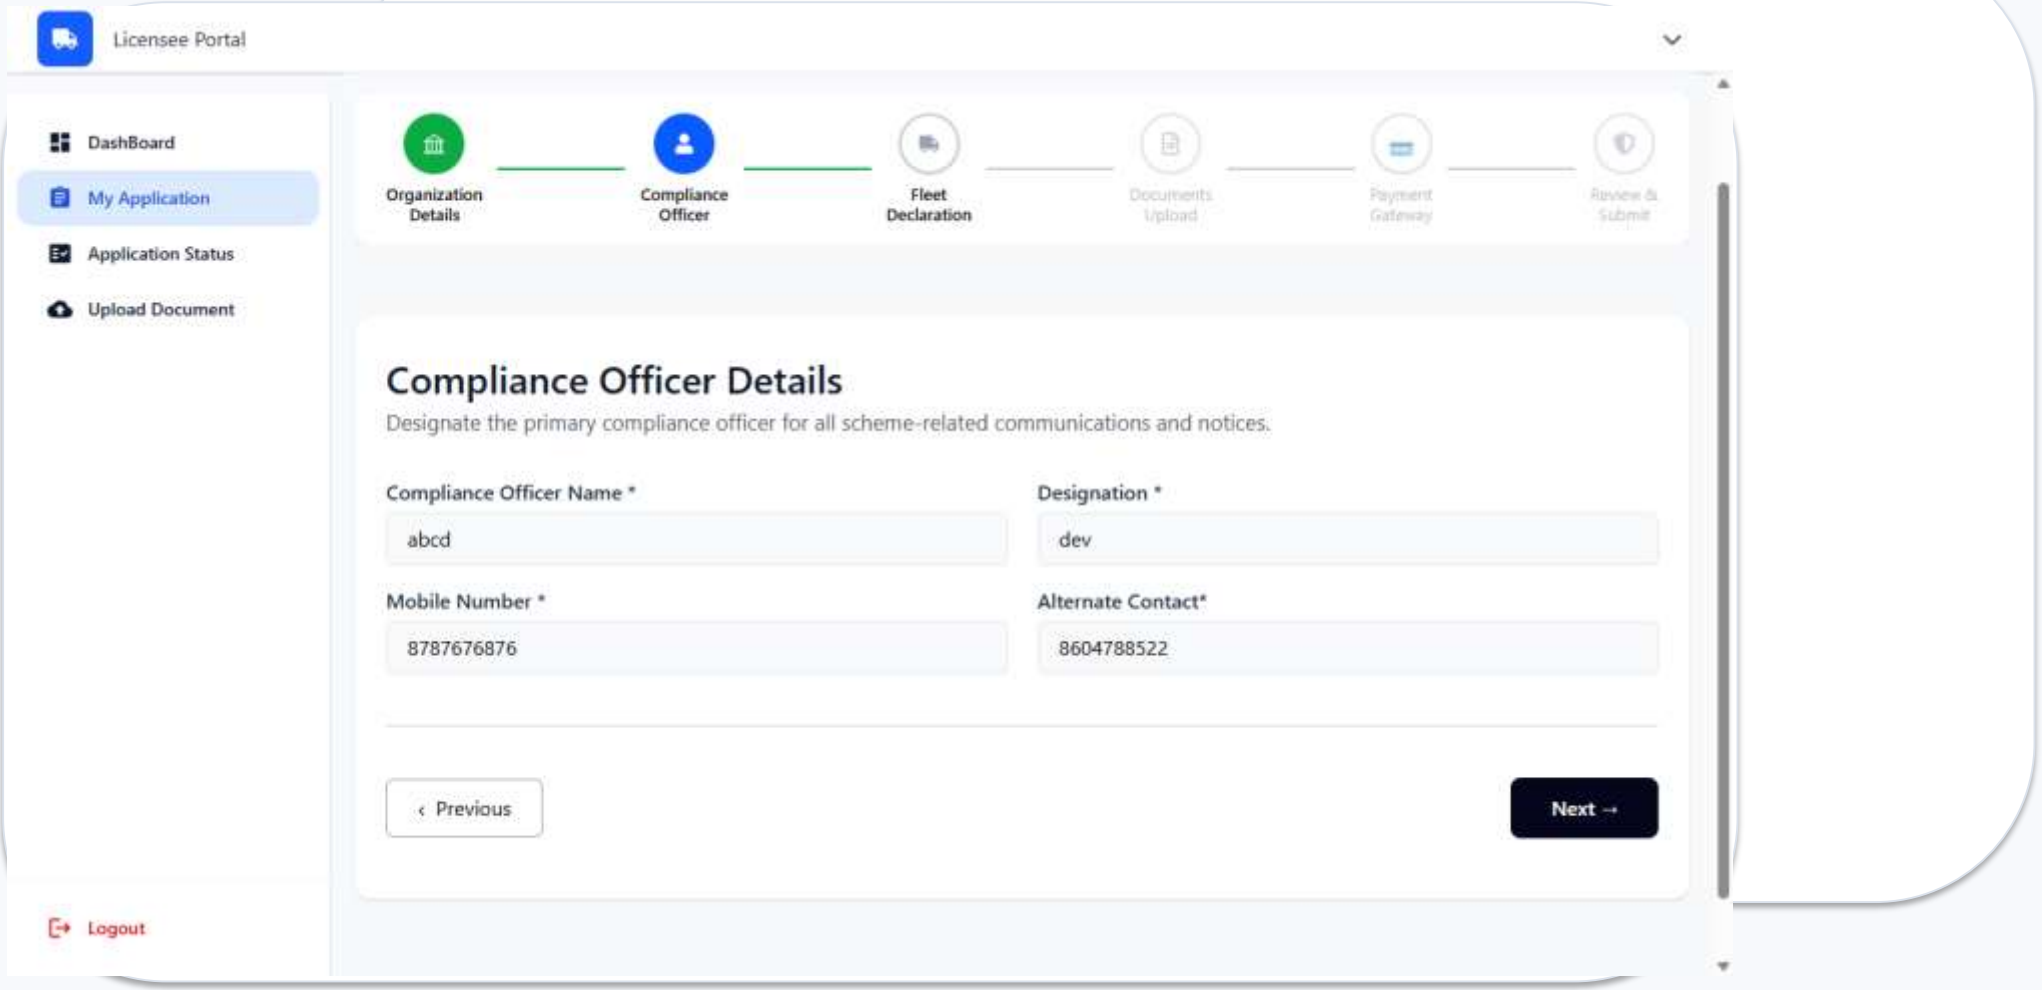

Complete the remaining organization information and proceed to the Compliance Officer section.

STEP 06

Compliance Officer

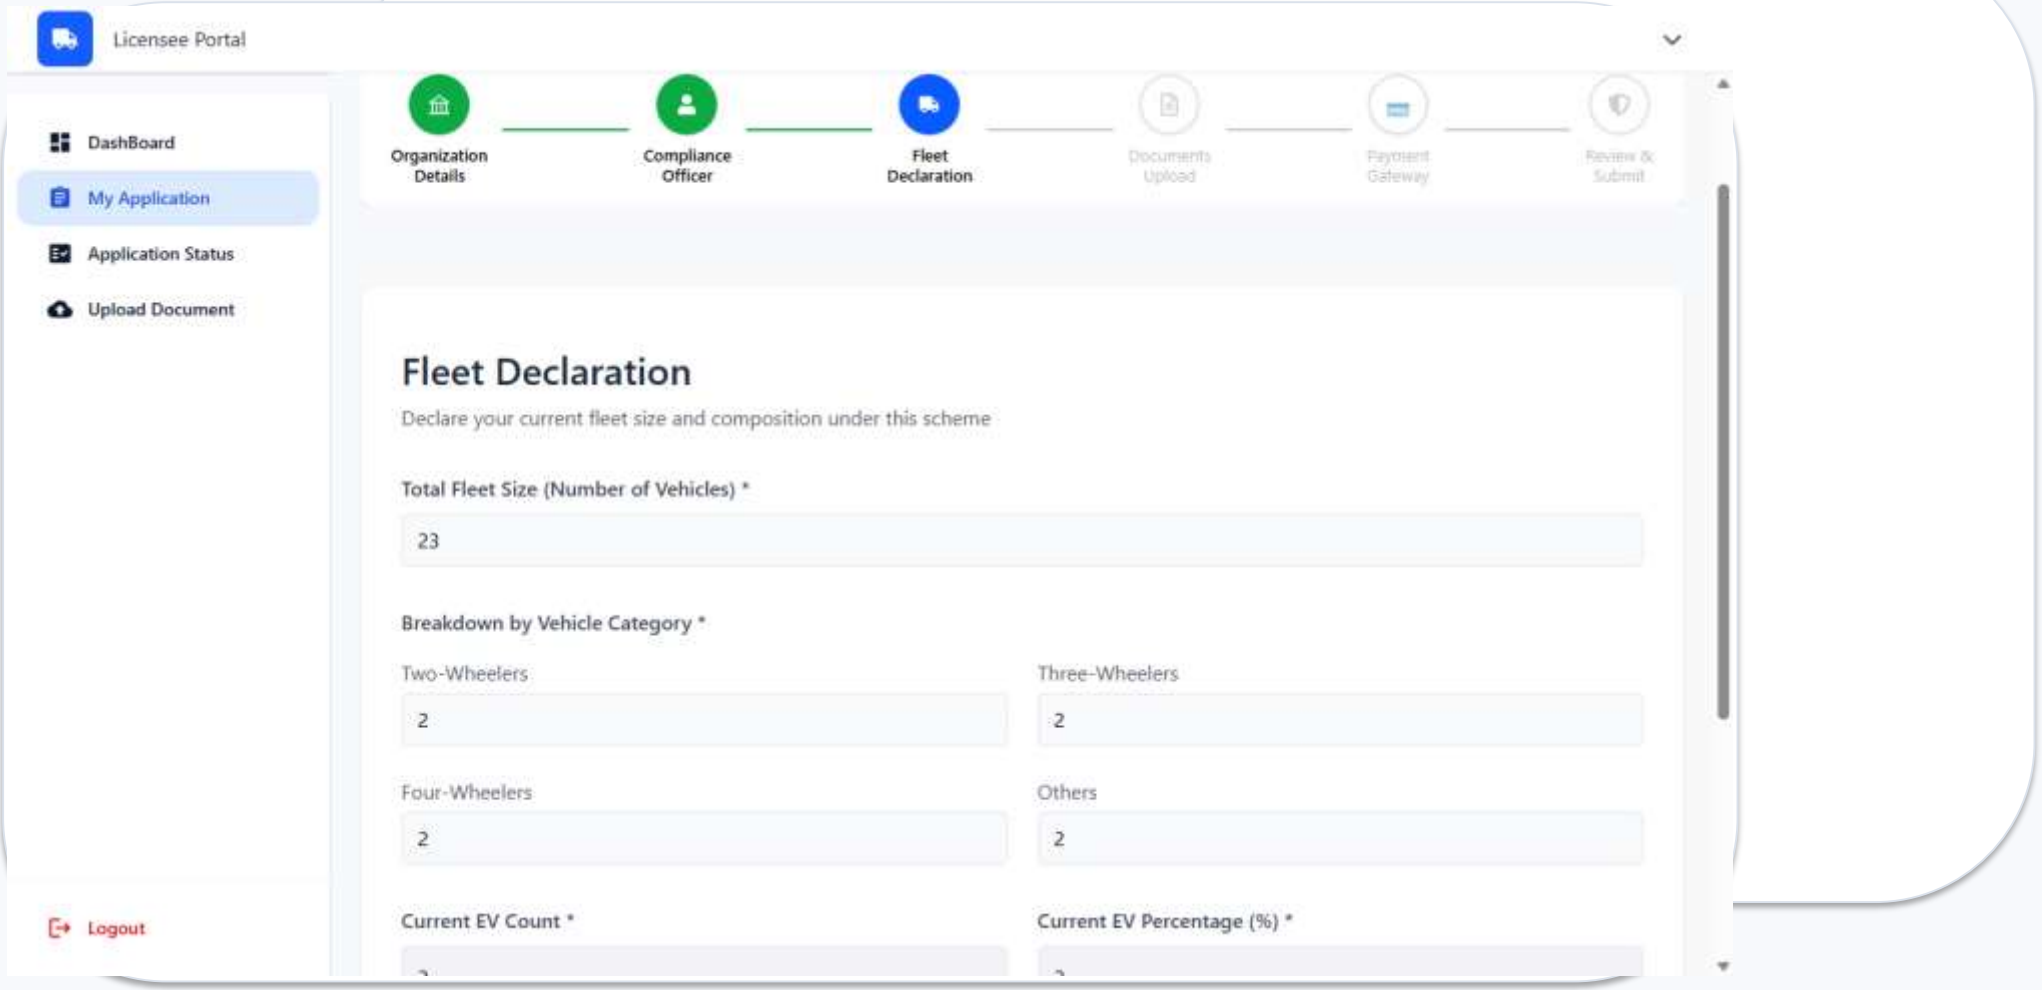

Provide the designated compliance officer's name, designation, mobile number and alternate contact.

STEP 07

Fleet Declaration

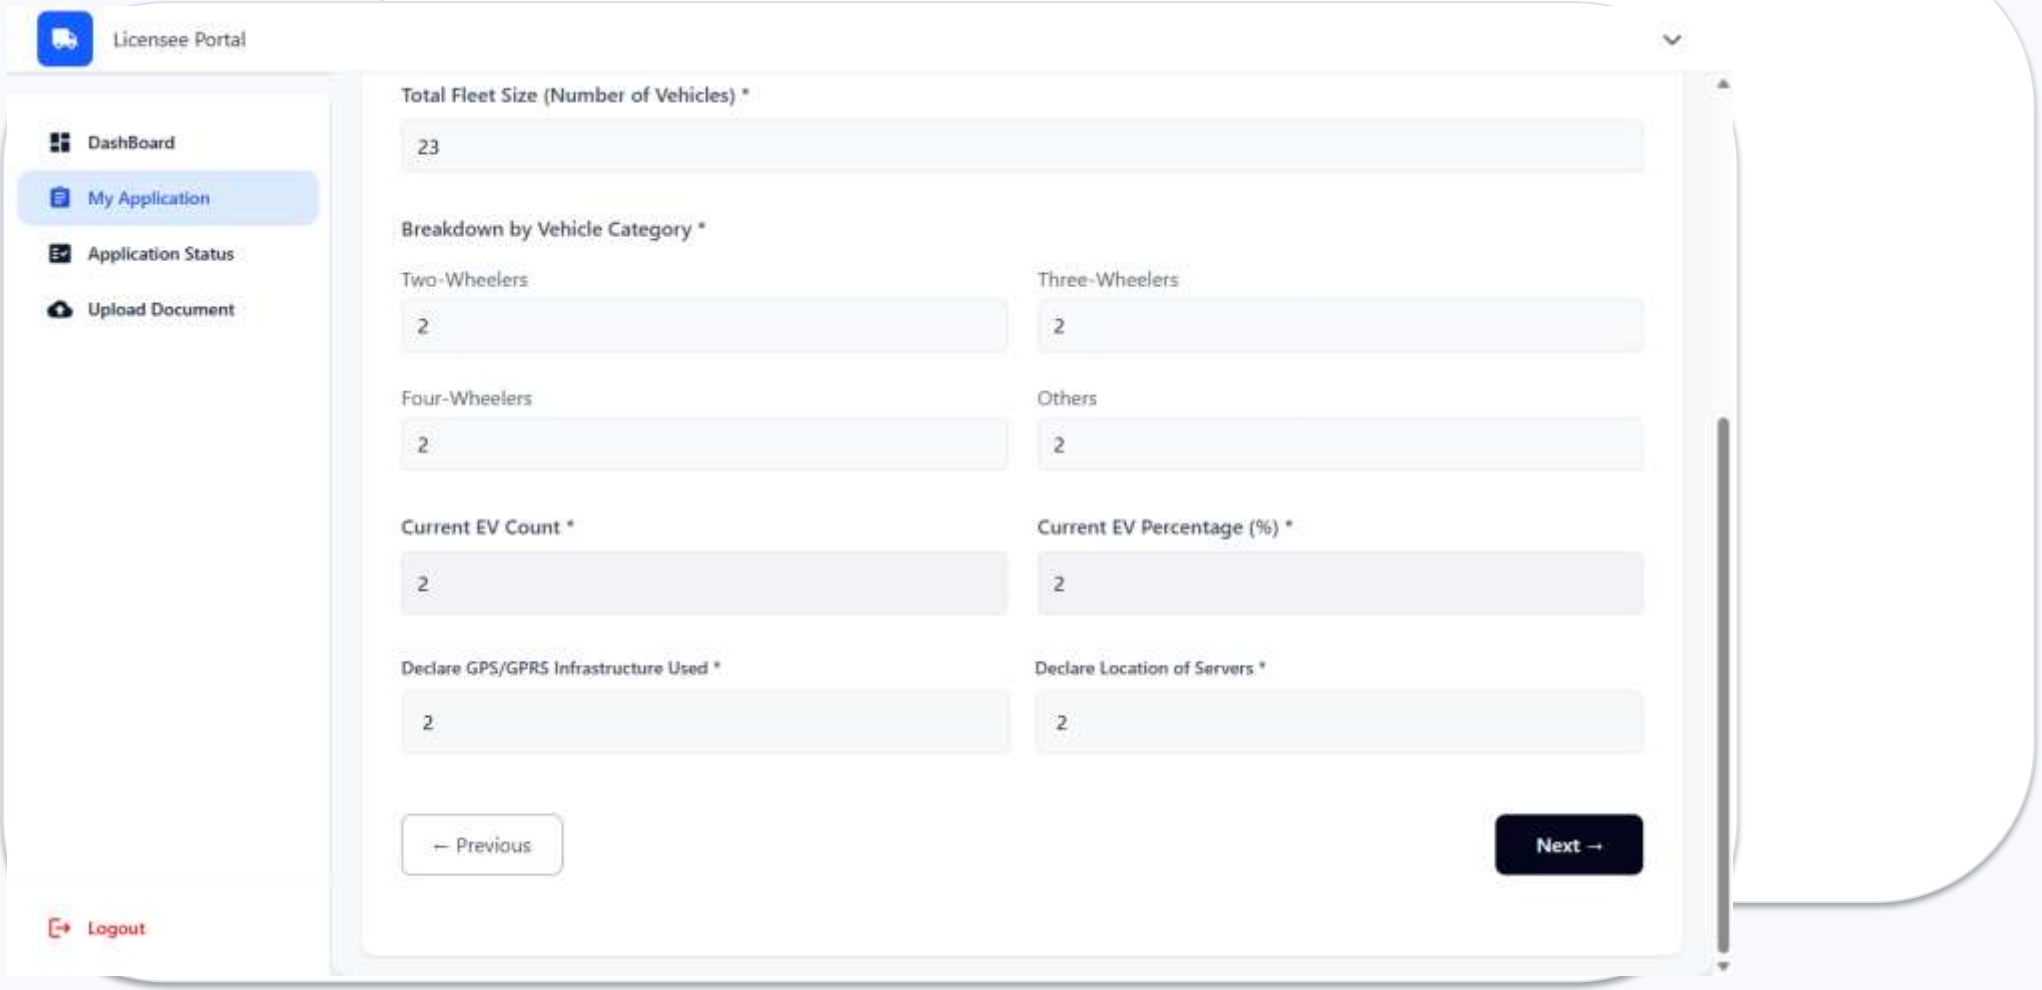

Declare total fleet size, vehicle-category breakup, EV count/percentage and GPS/GPRS infrastructure.

STEP 08

Fleet Declaration – Continued

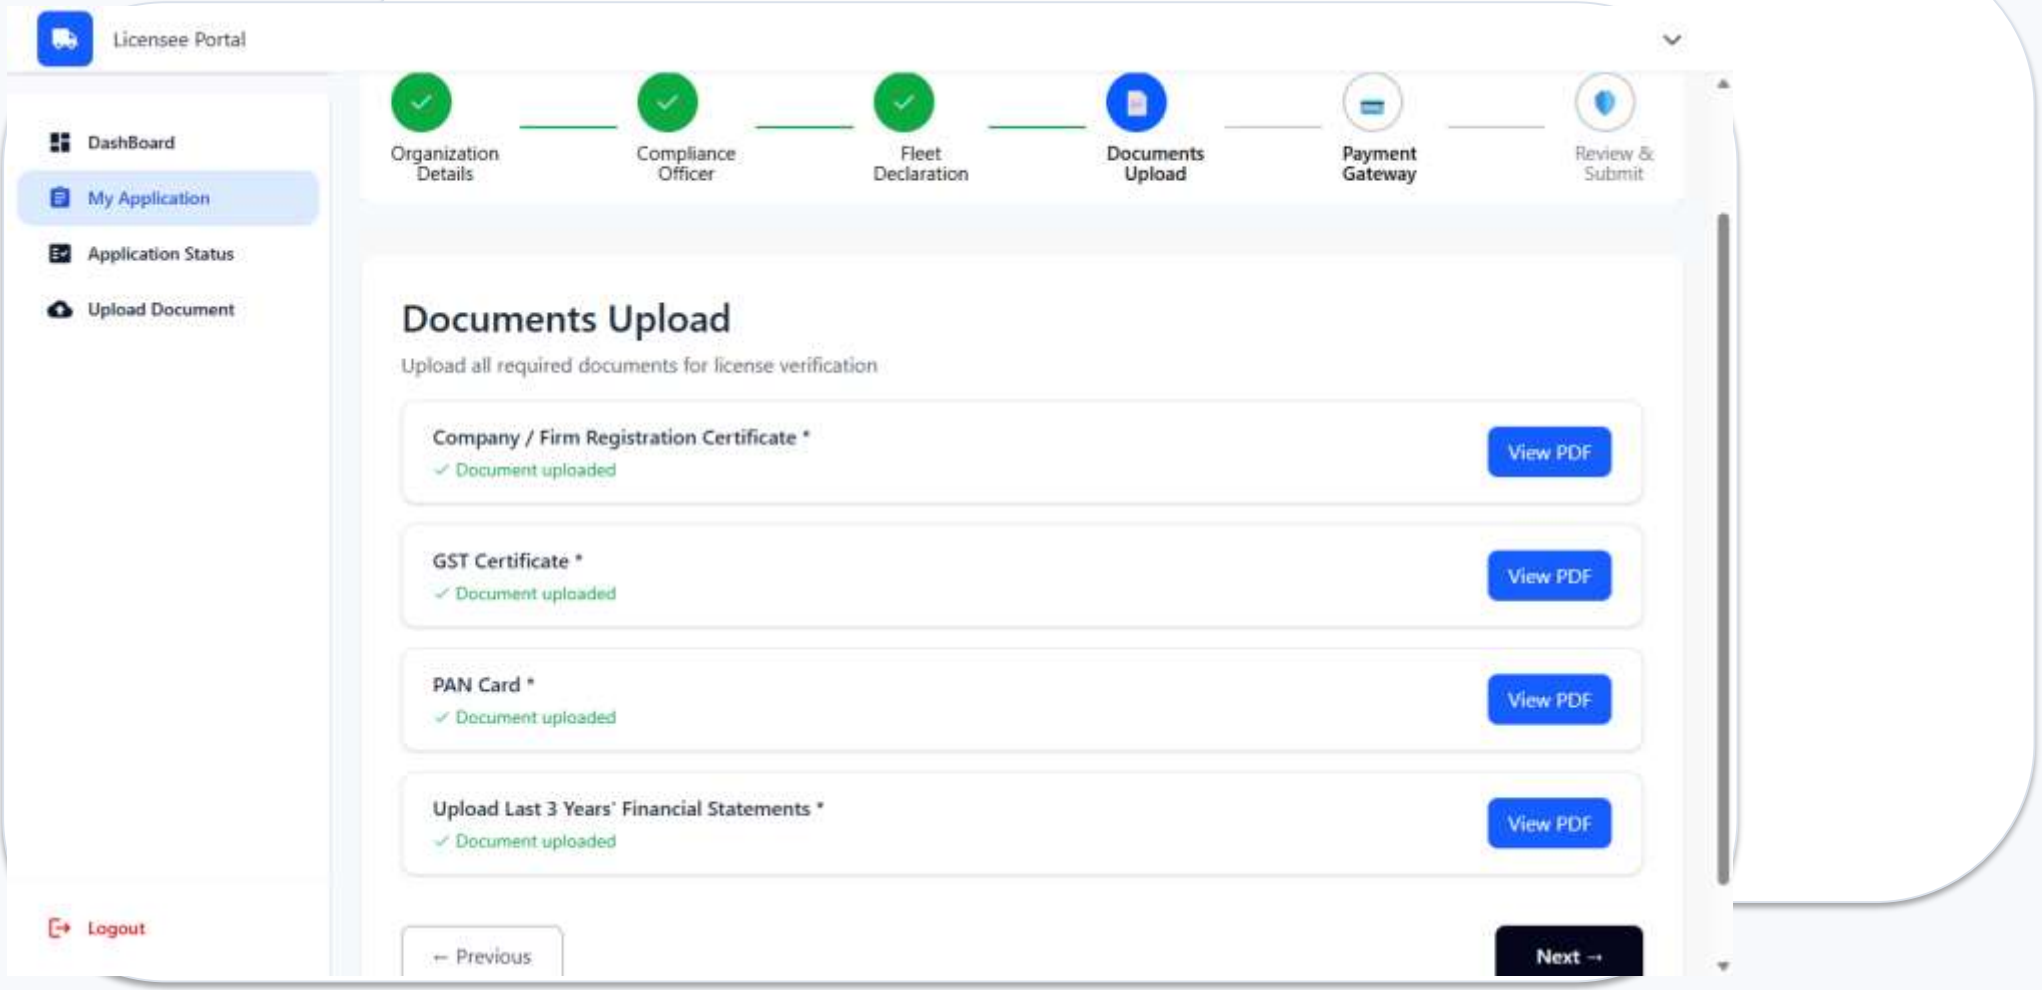

Review the fleet declaration fields and proceed to document upload.

STEP 09

Documents Upload

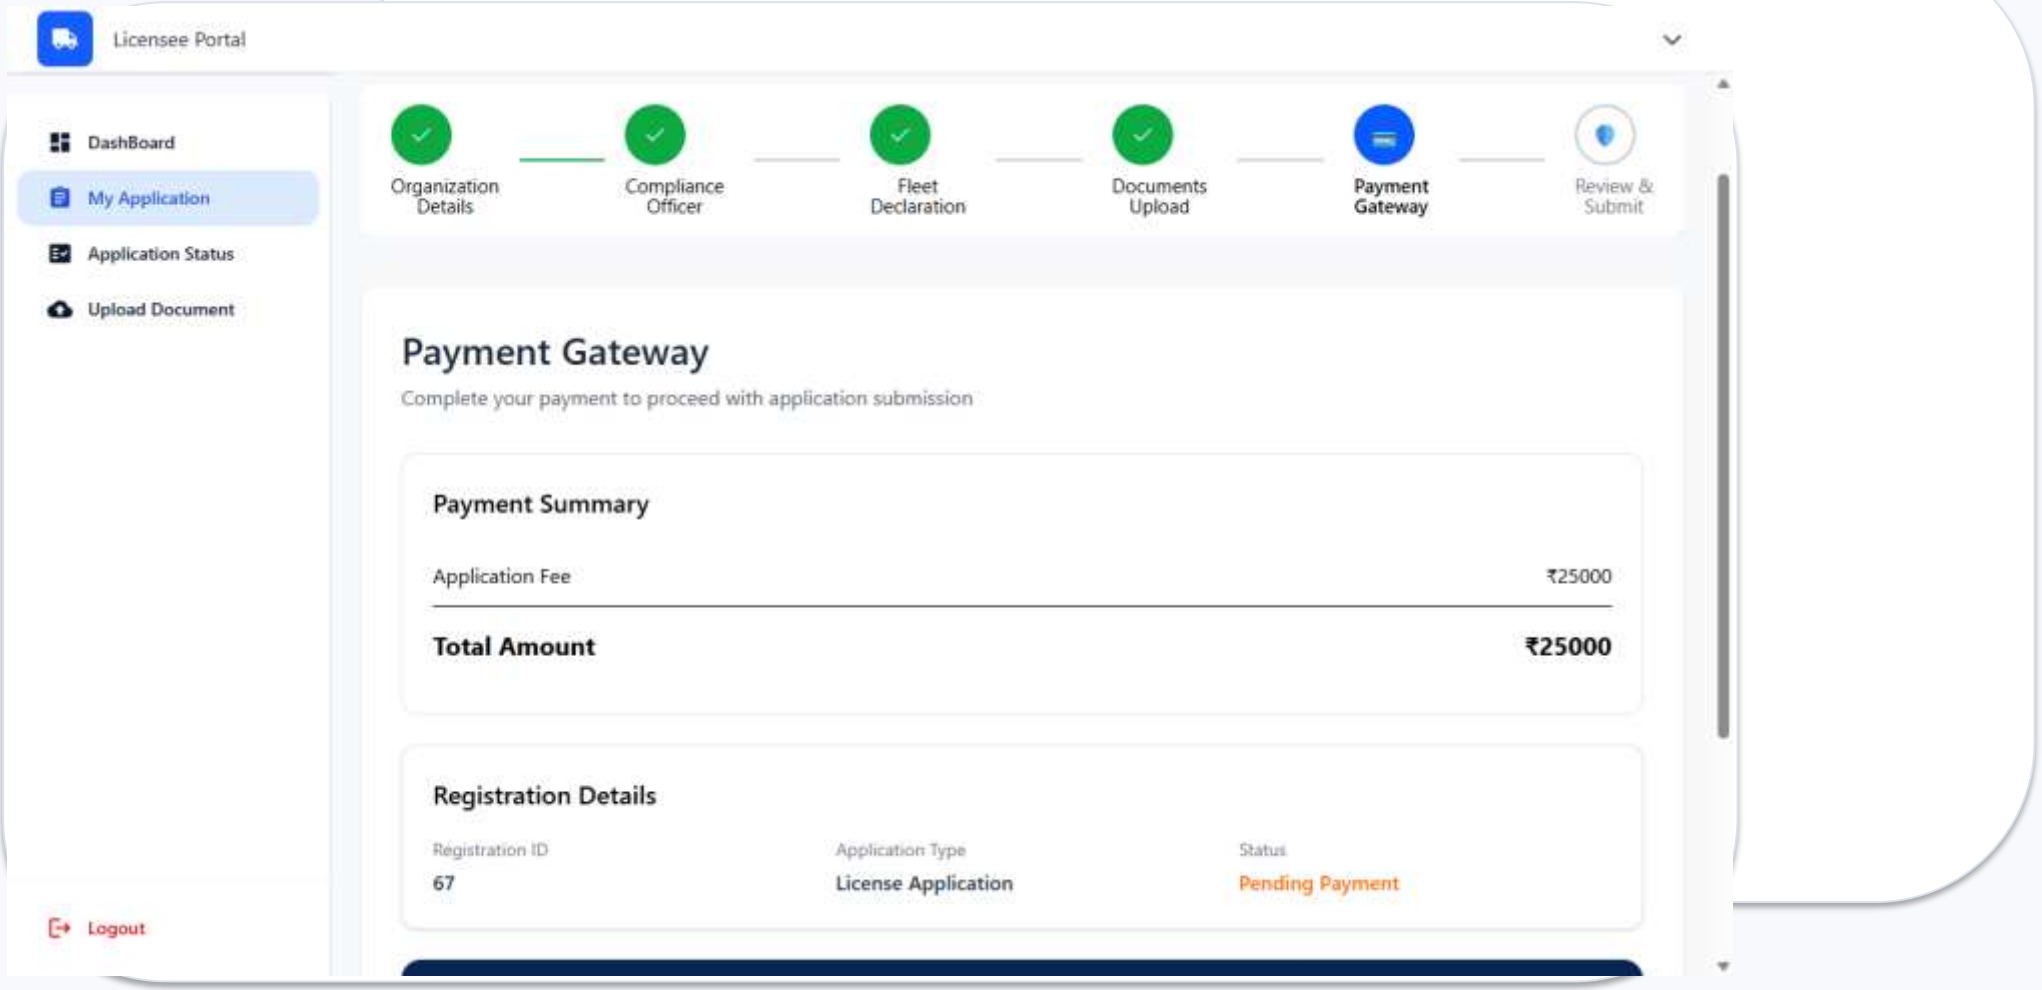

Upload the required registration, GST, PAN and last three years' financial documents.

STEP 10

Payment Gateway

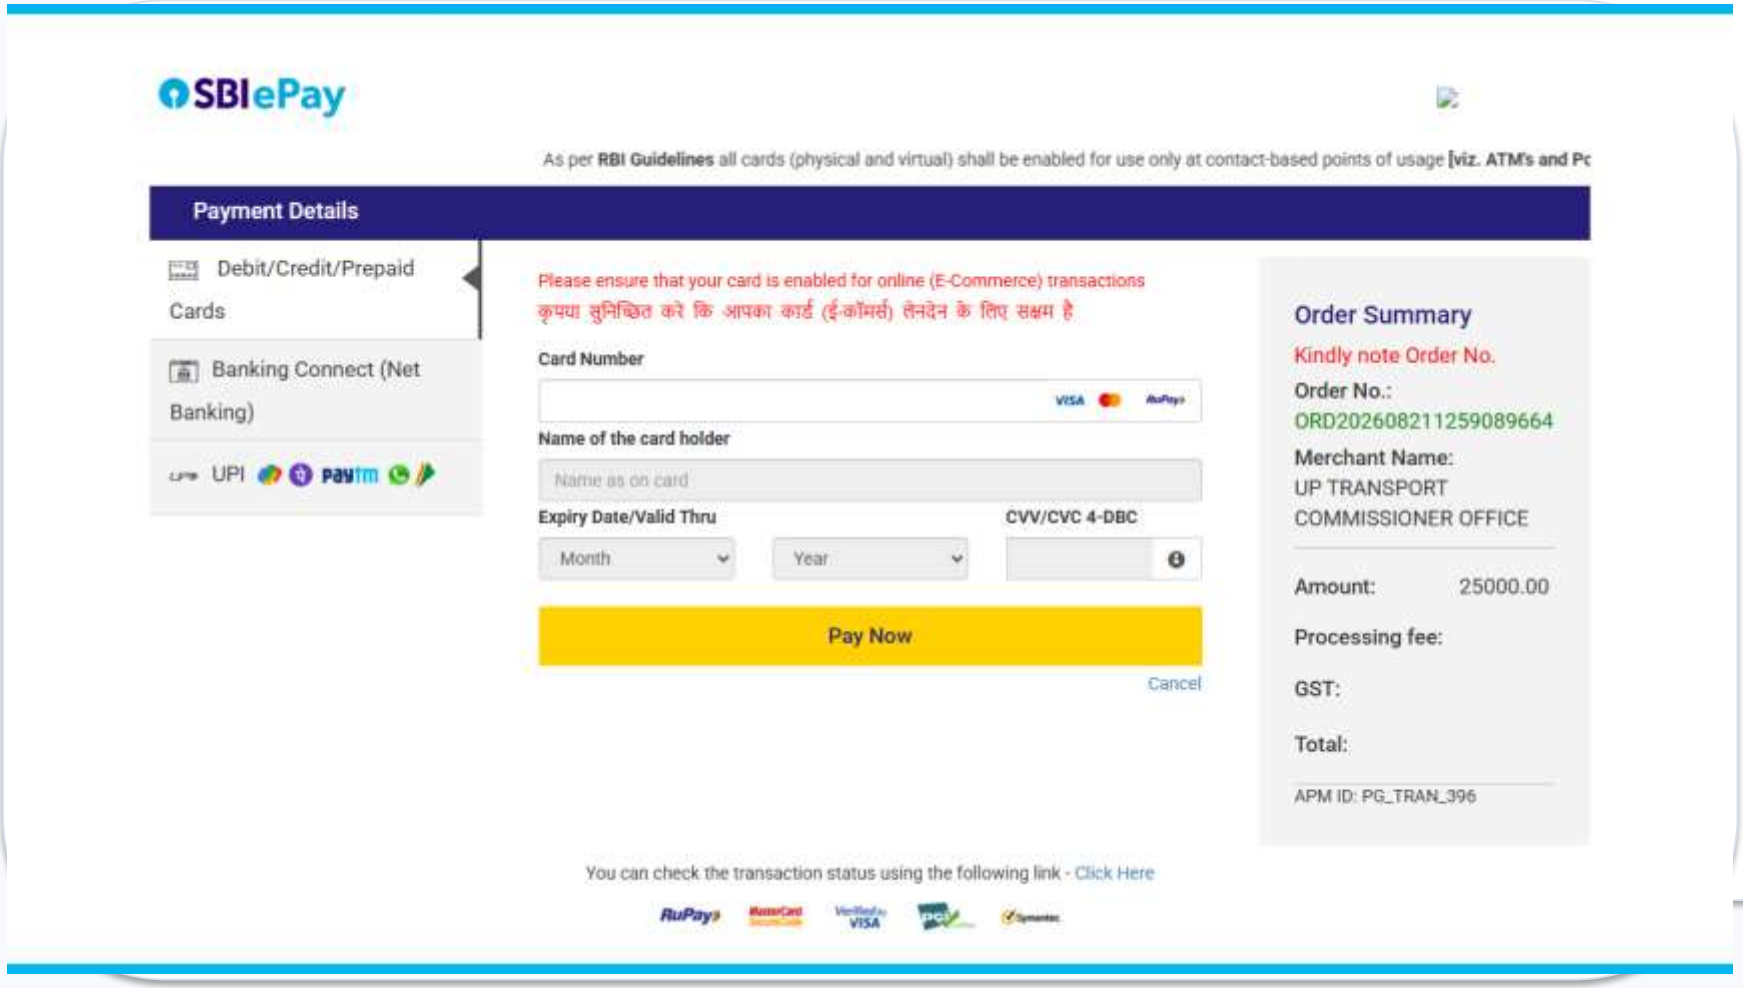

Review the application fee and registration details before proceeding to payment.

STEP 11

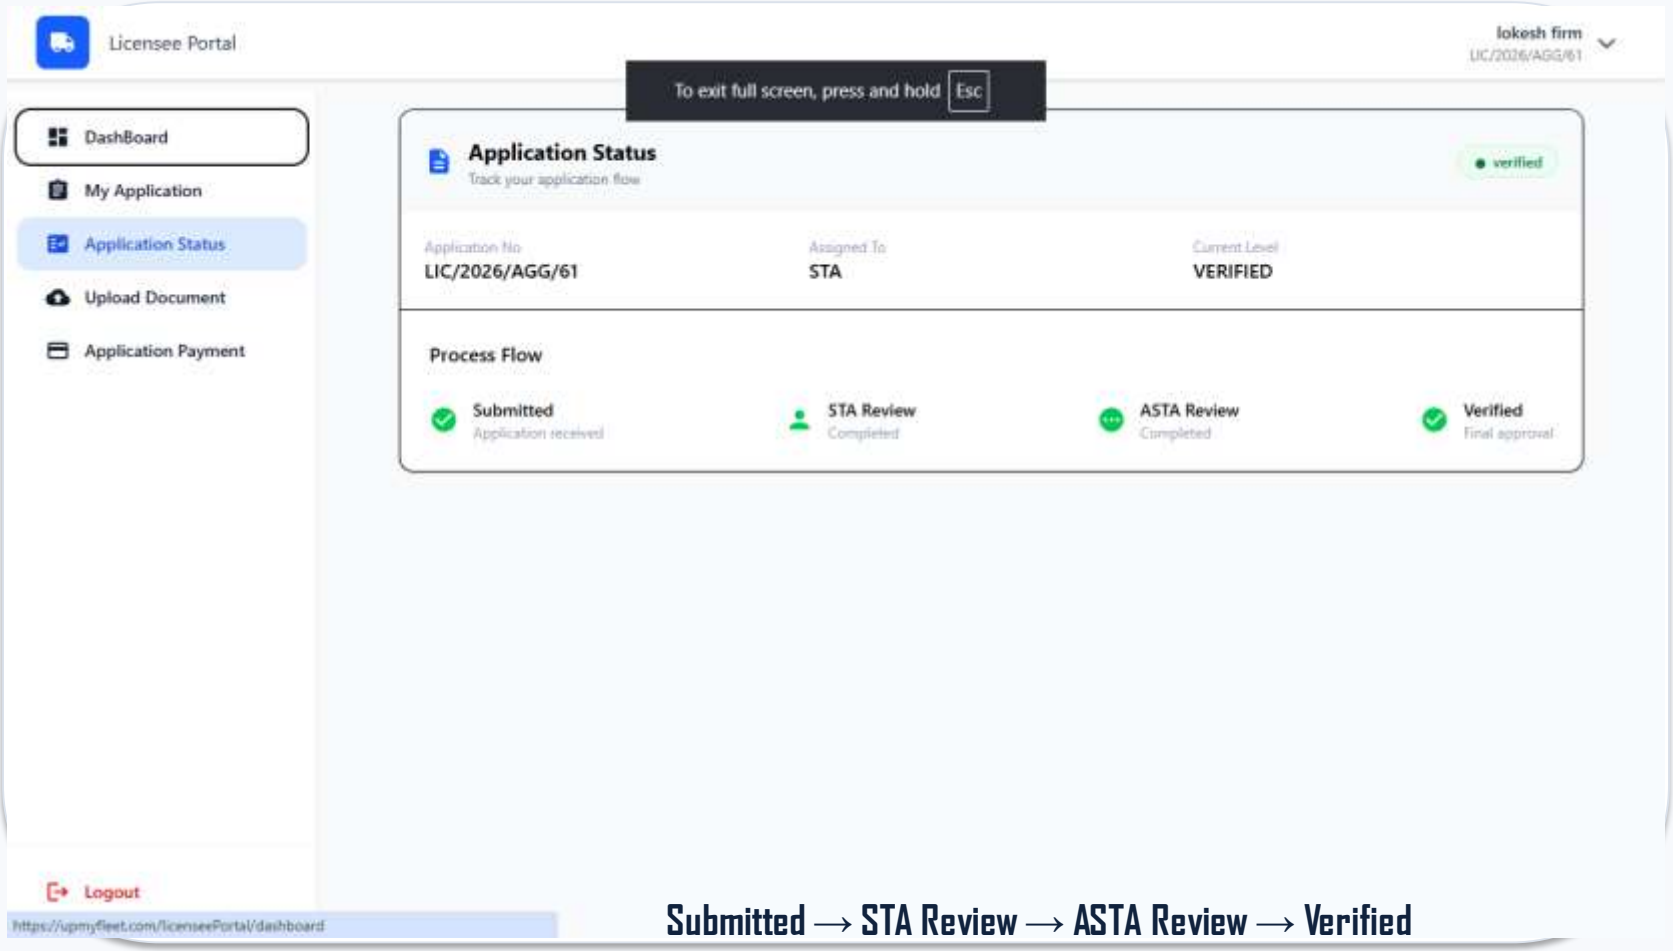

SBIePay Payment

Complete payment using card, net banking or UPI and retain the transaction/order details.

Application Status After Approval

After STA and ASTA review are completed, the applicant can track the final verification status from the dashboard.

STATUS SHOWN: VERIFIED

Submitted → STA Review → ASTA Review → Verified

Process Complete

The applicant completes the portal workflow by submitting the application, making payment, and tracking final verification.

1 Portal Login

2 Application Details

3 Compliance & Fleet

4 Documents

5 Payment

6 Verification

Final status can be tracked from the Application Status section.
